**Precidia Technologies exhibiting at Fall Comdex 2000**

Leader in IP enabling technologies to showcase internet-enabling retail transaction payment solutions.

**Ottawa, Canada, November 2, 2000** – Precidia Technologies Inc. announced today that it will exhibit at Fall Comdex 2000 in Las Vegas, Nevada, November 13<sup>th</sup> to 17<sup>th</sup>. Precidia will join other Canadian technology companies in the Canada Pavilion, designed to showcase leading Canadian technology companies at Comdex.

The company will also announce a strategic alliance with a major Telecommunications carrier at the Canada Pavilion Press Conference on Monday, November 13<sup>th</sup> at 1:00 in Press Room B of the Las Vegas Convention Centre.

"Precidia is pleased to be showcasing our unique IP technology solutions at Fall Comdex 2000. We look forward to meeting with the industry leaders who are interested in Precidia's technology offerings: the retailers, transaction processors and Telcos. Comdex is an excellent venue to launch Precidia's U.S. marketing presence, as well as announcing a key alliance", said Deepak Wanner, President of Precidia Technologies.

The company's booth, S2431B, is located in the Canada Pavilion #S2431, on the main floor of the Sands Expo & Convention Centre.

Precidia Technologies Inc., based in Ottawa, Canada, is a global leader in the design and manufacture of IP enabling technology. Precidia's advanced IP technology seamlessly migrates debit and credit payment terminals onto more sophisticated IP networks.
